CommUNITY Conversations, on its way!

A special thank you to everyone who donated during the
2023 Monterey County Gives Campaign!

NCBI Monterey raised a total of \$10,209.17 because of donors like YOU!!!

With this MCGIVES! donation, we are building upon NCBI's successful CommUNITY Conversations in the 2024-2025 school year. NCBI will host forums to address racism, sexism, homophobia, transphobia, and all forms of oppression and inequities occurring in our schools and community. These forums will allow students, families, and community members to respond to and determine actions to combat inequity, discrimination, and intolerance. CommUNITY Conversations will ensure there is a safe place to heal from fear, anger and grief, giving participants an opportunity to be heard. In combination with breakout sessions, participants will have the opportunity to share the experiences of oppression of their affinity group such as LGBTQ+ youth and students of color. CommUNITY Conversations expand the understanding of key social justice issues, help participants heal from the impact of oppression, and strengthen leadership for a more equitable and inclusive community.

We Value Your Continued Support!
